

Family Newsletter: **July**

Prayer Focus

'Answer me, Lord, out of the goodness of your
love;
in your great mercy turn to me'
- **Psalm 69:16**

Whatever your circumstances today, be encouraged that the Lord will hear you as you turn to Him in prayer!

Thank the Lord...

- For His many years of faithfulness to the family at Finborough Court and the opportunity they had to celebrate their milestone 30th birthday
- For all the fun that was had during Care Home Open Week and for new connections made across the generations
- For our new Government and the possibilities this brings with regard to policies around social care

Ask the Lord...

- To encourage volunteers like Helen who generously dedicate time to serving those living in our homes
- To guide the work of our Marketing & Communications Team as they seek to spread the word of our organisation and resources through events and conferences like ReNew
- For rest and refreshment for any of our staff who are taking holiday over the summer period, that they would be equipped anew for the roles they have been called to
