

Family Newsletter: **August**

Prayer Focus

'And rejoice before the Lord your God at the place
He will choose as a dwelling for His name... '

- **Deuteronomy 16:11**

We rejoice that our care homes and housing schemes are places where the Lord's name dwells richly in the hearts of many who live and work with us

Thank the Lord...

- That our newest care home, Middlefields House, has just celebrated its 2nd anniversary
- That many of our homes are establishing links with their local churches and groups within their communities
- For all the staff members, like Sid, who are taking part in The Pilgrimage and raising support for our Hummingbirds

Ask the Lord...

- For guidance as care homes approach us to explore becoming part of Pilgrims' Friend Society
- To touch the hearts of Christians and encourage them to come and work with us and bless the older Christians who live with us
- That those staff who are taking holiday this summer would return to work feeling rested and refreshed
