Prayer Focus

**"The Lord is my strength and my shield;
My heart trusts in Him, and I am helped."
- Psalm 28:7a**

As we reflect on the past year, we're remembering how the Lord protects and helps all those who put their trust in Him.

Thank the Lord...

- That many of our homes have finally been able to welcome in visitors for close contact visits, bringing joy
- For the beautiful sights and sounds of spring which those living with us have been able to enjoy, from walks in the grounds to visits from baby animals
- For all those who give generously and sacrificially to our work

Ask the Lord...

- To fill any empty rooms in our homes with older people who will be blessed by living with us
- That the roll-out of new IT equipment and systems across our homes and schemes would go smoothly, supporting our staff in their day-to-day tasks
- That work on Middlefields House, Chippenham, would continue to go well as the home prepares to open this summer
- To help those living in our housing schemes to face continued separation from loved ones with patience
