

Family Newsletter: **November**

Prayer Focus

'...He is able to save completely those who come to
God through Him,
because He always lives to intercede for them.'
- **Hebrews 7:25**

Right now Jesus is in Heaven interceding for all who trust in Him. We hope this amazing truth uplifts you as you lift up the work of our organisation in prayer!

Thank the Lord...

- For all the new staff who have come to work across our homes and schemes in 2021. Thank Him in particular for the recent appointment of Rali as the new Registered Care Manager at Middlefields House
- For the blessing that all the older Christians who live with us are to each other and to our staff
- That the issue of social care funding is gaining greater prominence in the headlines, and that our CEO Stephen Hammersley has had opportunities to speak about this in the media

Ask the Lord...

- To be very close to anyone who is grieving and for whom Christmas without a loved one will be difficult, that they would be comforted by the message of hope that Jesus brings
- That lots of older people would be blessed by the resources we create
- To keep everyone who lives with us safe and to help our staff as they continue to manage the challenges posed by the pandemic
