

Family Newsletter: **November** Prayer Focus

“Behold, the Lamb of God,
who takes away the sin of the world!”
- **John 1:29**

As the Christmas season fast approaches, we praise the Lord that our homes and housing schemes can be beacons of light pointing towards Jesus, a true cause for celebration.

Thank the Lord...

- For all the Christmas fairs that are taking place at our homes, with folk from across the community welcomed in
- For the gift of song and how the familiar words of traditional carols can reach into the hearts of those living with dementia
- For all the new staff who have joined our teams in 2023, blessing those who live with us with their compassion and care

Ask the Lord...

- To be close to any of our family members for whom Christmas may bring sadness as well as joy - that they would be cheered by the hopeful message of Jesus' coming
- That He would comfort and uphold our family members and staff at Bethany Christian Home as they undergo a period of transition
- That those who visited our stand at the Christian Resources Exhibition (CRE) would be blessed by this interaction and any resources they bought/signed up to receive
