

Family Newsletter: **November**

Prayer Focus

'A generous person will prosper;
whoever refreshes others will be refreshed.'
- **Proverbs 11:25**

Every day in our homes and housing schemes there are small acts of kindness that bring refreshment and joy to others - Praise God!

Thank the Lord...

- For our Hummingbird Ann and the opportunity she has had to share her story with a wider audience through the Guardian article
- For all the 'Empowering Communities to Care' deliveries by our folks to their local MPs
- That there are so many caring and compassionate individuals across our teams who work tirelessly for the benefit of others

Ask the Lord...

- To bring new managers to our homes in Wantage and Whitehaven
- To guide MPs as they prepare to vote on the Assisted Dying Bill on Friday 29th November
- To help our care homes and local churches bring light to older people in their wider communities this winter
