### Prayer Focus

'His divine power has given us everything we need for a godly life through our knowledge of Him who called us by His own glory and goodness.'

**- 2 Peter 1:3**

We praise the Lord that He gives us and those who work for us everything they need to live a godly life.

#### **Thank the Lord...**

- For all the new people who have moved into our housing schemes recently, with Strathclyde House, Skelmorlie, in particular welcoming in a number of newcomers
- For all the new ACE Facilitators who have joined our homes over the past year, bringing energy and excitement
- For the volunteers who have served faithfully over the years, and who have continued to pray for and stay connected to our homes despite the challenges of lockdown

#### **Ask the Lord...**

- To protect older people in the UK from variant strains of coronavirus
- To use the upcoming NHS, Social Care and Frontline Workers' Day on 5th July to bring recognition to the incredible work done by those working in these sectors, including those who serve across our organisation
- For endurance for older people living in our housing schemes, and in the UK more widely, for whom the extension to the total lifting of lockdown is proving a challenge. Pray that they would not be lonely but find friendship and fellowship
